NEW PRODUCT RELEASE

Highway Pegs for GL1800 Goldwing

Rice Lake, WI – Do to demand, Big Bike Parts® now offers its custom contoured case guard clamp for the Goldwing with choice of 6 peg styles including their popular Mini Board, Rail, Diamond, Teardrop, Flame or Celestar Peg styles. This allows a true matching look to similar offered styles in driver pegs. These mount with a custom 1” clamp contoured to fit the 2018 Goldwing case guards, not to the engine or cylinder heads, preventing damage to critical areas in case of a tip over or hard cornering. Includes Show Chrome Accessories® proprietary anti-rotation design allowing 360° positioning for ideal rider comfort. All fit the 2018 and newer Goldwing.
