NEW PRODUCT RELEASE

Big Bike Parts® 2 ½" Filter Wrench

Rice Lake, WI – Who says you cannot improve on a great product! With over 25 years of providing the best filter wrench in the industry, Big Bike Parts® has improved their 2 ½" Filter Wrench to continue to lead the market. The handle has been redesigned to incorporate two drain plug wrench sizes to easily fit drain plugs when changing oil and filters. The drain plug end of the filter wrench has also been canted 30 degrees to allow easier access to the drain plug.

This 12-sided wrench addition provides easy and quick access to 17mm and 12mm drain plugs (as found on 2018 and newer GL1800 Gold Wings). Big Bike Parts zinc plated chromatic finish provides years of proven durability and utility. Combine with Big Bike Parts' quality oil filters to enhance your safety and maintenance.
