

BIG BIKE PARTS®

NEW PRODUCT RELEASE

Deluxe Trike Cover

Rice Lake, WI – Big Bike Parts® not only led the way when it introduced trike covers 20 years ago, it continues to deliver the best valued covers in the market. UltraGard® covers have become synonymous with quality and have earned the reputation as the market leader. UltraGard's latest addition to its best selling Deluxe Trike Cover is a stunning blue over black classic cover. Their tailor fit designs are constructed of water resistant polyurethane coated polyester providing excellent protection against weather, dirt, pollution and prying eyes. Their UV stabilized material maximizes life and minimizes color fade from sun exposure. Heat Shield protection with double stitched, four-fold interlocking seams provide unmatched durability and a weather tight closure. SoftTek™ windshield liners and antenna wear pads insure your ride is protected long after you cover it. The tasteful use of reflection piping and logo lets your parked ride stand out at night.
