NEW PRODUCT RELEASE

Handlebar Mounts Now Fit Indian

Rice Lake, WI – Big Bike Parts® expands its popular Beverage, GPS/Phone and Gadget Bar Mounts to now cover the Indian. The beverage holder conveniently holds most beverages in its tapered design with a rubber coated inside helping secure the beverage. The beverage holder has been designed for easy installation and removal, just install the receiver bracket and the beverage holder itself can be quickly snapped into place or removed. Available in either Chrome or Satin Black. Also available is a GPS/Phone Mount that expands vertically and horizontally to hold most cell phones and GPS systems using the same receiver bracket, or add a fun Gadget Bar that allows easy mounting of so many available systems to this 7/8" bar. Added security is available with a set screw to ensure it does not walk away while you are parked. Ideal for the Indian but fits any 32 – 41.5mm on center face clamp spacing as used by Harley, Honda, and Yamaha.
