GT Tour Rack by Show Chrome Accessories®

Rice Lake, WI – This GT Tour Rack from Show Chrome Accessories® gracefully complements the natural lines of the 2018 Goldwing trunk. Its generous 22 ½” x 15” overall size will easily accommodate your favorite luggage tour bag as well as allow it to be securely fastened with its no slip corner tie down points. As with all Show Chrome Accessories® drill through racks it comes with custom recessed spacers that are tapered to allow easy matching to the trunk contour to alleviate stress cracking to the trunk lid. Large rubber washers under all spacers, inside and out protect your bikes finish as well as creating a water tight fit. Available in either Chrome or Satin Black.
