NEW PRODUCT RELEASE

Tapered Seat Bolts from Show Chrome Accessories®

Rice Lake, WI – It seems the more you take your motorcycle seat off, the harder it is to realign the bolts without issue. Show Chrome Accessories® makes it easy and slick with their new Tapered Seat Bolts that solve the reassembly process once and for all. These custom made bolts have been tapered and dethreaded just right, to make them self-aligning, making installing your removed seat a simple 1, 2 process. Made from stainless steel, binding and corrosion are non-events, allowing easy year after year use. This pair of M8- 1.25 Tapered Seat Bolts are a great addition to: Honda Goldwing GL1800 2018-; Yamaha Star Venture/ Eluder 2018-; and Victory Cross Bikes 2010-17.
