# NEW PRODUCT RELEASE

## Dual Function Marker Light with Amber or Red Lenses

**Rice Lake, WI** – Big Bike Parts® now offers its top selling Dual Function Marker Lights for the 2018 and newer Gold Wings with either Amber or Red lenses. The bezeling on these new marker lights enhance light dispersion and the colored lenses help intensify the color matched LED's. These LED Marker Lights use 24 of the latest and brightest SMD LED's available to replace the OEM reflectors. The LED assemblies are sealed for weather protection and come with embedded bolt, locating pin and double sided tape to insure a secure fit. Reflective backer behind the LED's maximizes the candela output of the LED's. Includes full instructions, t-taps and spade connectors for a convenient installation. Sold as pair of Red or Amber Marker Lights and can be installed as running lights and turnsignals for increased safety.
