

# BIG BIKE PARTS®

## NEW PRODUCT RELEASE

### T-Tap Wiring Set

**Rice Lake, WI** – Big Bike Parts® understands the importance of proper wire connections when installing electrical components on your motorcycle. In an effort to help make this easy, Big Bike Parts® is now packaging connection kits to simplify this process. Their 30 piece T-Tap Wiring Set is for 22-18 gauge wire and includes 15 female insulated T-Tap connectors with 15 male insulated T-Tap connectors with heat shrink end wraps.

**30 PC T-Tap Wiring Set**
