NEW PRODUCT RELEASE

Adjustability for Smart Mount™ Backrest

Rice Lake, WI - Big Bike Parts® Smart Mount™ Backrests have a wide range of adjustability on their exclusive backrest pad pivoting hinge. The unique tapered wedge design of the pivoting hinge allows positioning the backrest front to back with a wide 3" range. The backrest hardware tongue also has multiple mounting holes to provide up to 1" of vertical height adjustment. All Smart Mount™ Backrests mount below the seat with only the arm mount coming through the seat, eliminating any external hardware. Available for Can-Am RT, Goldwing GL1500, GL1800 and F6B models.
