

BIG BIKE PARTS®

Enjoy the Night!

Rice Lake, WI – Riding at night is a thrill, which is made better when you can see clearly and others can clearly see you. As a market leader in lighting, Big Bike Parts® has a wide variety of cruiser light bars for all your riding needs. Enhance your safety and enjoy the night with a choice of Big Bike Parts® Elliptical or Contour Light Bar. Each light bar can be fitted with your choice of three unique driving lights, including a 50 watt halogen mini spot light or a custom designed 3 ½” 55 watt halogen driving light. The optimal for lighting though is Big Bike Parts® 3 ½” LED, which has 2 high intensity LED’s built into each light. These LED’s are unmatched in brightness and focus the light beam in a wide array to help see and be seen. Big Bike Parts® also offers you turn signal adapters to fit most bikes, allowing the use of OEM turn signals, or choose from one of Big Bike Parts® LED turn signal options. Available starting from \$299.95, contact Big Bike Parts® for fitment specific information.
