

PRODUCT RELEASE

Contour and Elliptical Light Kits

Big Bike Parts introduces their all new 3 1/2" Halogen Light in its Contour and Elliptical Driving Light Kits – These unique new lights have a wide light envelope and come with a stylish visor. Constructed of aluminum for strength and durability, these light kits also have a flawless chrome finish. Each kit comes complete with two 3 1/2" - 55 watt halogen spotlights, light bar, mounting plate and hardware, wiring harness, relay and switch. Let Big Bike Parts illuminate your life with these all new light bars and customize your cruiser with the same great quality products Big Bike Parts offers time after time.
