EZ Carry™ System From Hopnel™

Rice Lake, WI – Concealed carry is made easy with Hopnel's™ new EZ Carry™ concealed carry pouch system. Carrying while riding is a choice many of us make, but it can be uncomfortable, difficult to access, and hard to remove without brandishing. Until now, there hasn't been an easy way to transfer your protection from person to bike and still have it accessible. The new EZ Carry™ pouch system from Hopnel™ puts a concealed carry pouch on your motorcycle with great access. Our Buddy-Lok Tactical Mount makes attachment to the bike mount a snap and with a quick twist you can transfer the entire pouch with firearm concealed to the included belt holder, without the concern of brandishing. It actually looks like many of our other wearable pouches or nothing more than a fancy cellphone pouch.

The EZ Carry™ pouch measures 6 1/2" x 4 1/2" x 1 1/8" and accommodates most sub compact pistols such as: Ruger LC9 & LC380, Glock 42, Sig P938 & P238, Colt Mustang and S & W Shield. Initially available in two motorcycle mounts: the H50-111CC for the GL1800 Goldwings and H41-151CC for the GL1500 Goldwing and Can-Am Spyder RT. The pouch by itself, H50-111CCP can also be purchased separately to fit all Hopnel™ Tuxedo Ties with the Buddy-Lok system. Made in the USA.
