

## ***NEW PRODUCT RELEASE***

### **Rain Gators**

**For Immediate Release** – Protect your legs from road splash with Hopnel's compact, easy to wear Rain Gators. These gators incorporate water resistant nylon, heat shields to prevent melting and non-slip boot and toe shift pads to ensure no missed shifts and a sure grip on the road. The calf area has anti-billowing elastic gussets and the upper thigh has rubberized non-slip pads stop them from sliding down your leg. Rain Gators are perfect for occasions when a full rain suit is not necessary.
