# NEW PRODUCT RELEASE

## Saddlebag & Trunk Liners

**Rice Lake WI** – Hopnel™ has been the market leader close to 25 years, in creating motorcycle storage accessories. Often being the first to introduce new and innovative solutions for providing on-bike storage with their sewn pouches and bags. This could not be further from the truth than in looking at their leading Saddlebag Liners, the original King Cooler™ Liners and the latest Range Saddlebag Liner. Built to last, Hopnel™ Saddlebag Liners are designed to make loading and unloading your motorcycle a breeze. The durability comes from using custom made urethane coated weather resistant polyester to provide the best in wear and protection for your packed belongings. The King Cooler™ insulated waterproof saddlebag liner was the first in excellent beverage traveling convenience. The interior is made from a single piece of waterproof material allowing this King Cooler™ to keep your goods cold and saddlebags dry. Their new Hopnel™ Range Saddlebag is another market first, designed to carry your firearms in an all-inclusive range bag to hold your firearms for a trip to the shooting range. Visit your nearest Big Bike Parts® dealer to get yours today or visit [www.bigbikeparts.com](http://www.bigbikeparts.com) to find your nearest dealer. Liners are available in multiple sizes to fit most saddlebags and trunks.
