

## NEW PRODUCT RELEASE

### Big Bike Parts® Lights The Way with LED

Rice Lake, WI – Big Bike Parts® is lighting the way with the introduction of their two cutting edge LED's for this season. Their Focus™ LED Driving Light offers 6000K color temperature and unmatched LED illumination 1000 feet down the road. This 3 1/2" visored light is a great replacement light for those of yesteryear as well as available in over 25 bike specific kits. This Focus™ light is available in chrome or black matte finish

Big Bike Parts® Tridium LED Fog Lights have three full functions of operation for your GL1800 Goldwing. These unbelievable fog lights are unmatched in illumination across the road with not only fog light, but daytime running and turn signal functions.

Look for these banners displayed at participating dealers to learn how you can increase your visibility.
