

BIG BIKE PARTS®

NEW PRODUCT RELEASE

Big Bike Parts® Current Yamaha Star Venture & Eluder Fitments

Rice Lake, WI – When a new model arrives at Big Bike Parts® one of the steps is to review current products to create a list of what fits. This process also helps facilitate which new accessories need to be developed. For the new Yamaha Star Venture and Eluder, Bike Part Bikes® has 95 accessories already in place that fit and is developing another 20 model specific accessories to be introduced over the next few months. As would be expected from Big Bike Parts® some of the items being designed are passenger armrests, driver backrest, tour windshield, trailer hitch, LED fog lights, as well as fairing and saddlebag accent trims. Updated fitment lists are posted online at www.bigbikeparts.com as they are updated. They are under our Downloads, Fitment Lists.
